Coaching sessions	61	Networking outreach actions	12
LinkedIn profile	Audited · updated	Skills gap analysis	Completed
Program Level	Level 4 of 6	Training	Enrolled (in progress)

WIOA Primary Indicators of Performance

2 indicators captured directly in real time · 4 supported through documented supplemental wage information, confirmed by the state's wage-record match

INDICATOR	DATA SOURCE	STATUS / VALUE
Measurable Skill Gains (within training pathway)	Platform-captured	1 documented · 1 in progress
Credential Attainment (during or within 1 yr of exit)	Platform-captured	In progress · Google IT Support Cert (~60%)
Employment Rate · 2nd Qtr After Exit	State UI wage-record match	Pending · measured after exit
Employment Rate · 4th Qtr After Exit	State UI wage-record match	Pending · measured after exit
Median Earnings · 2nd Qtr After Exit (cohort)	State UI wage-record match	Pending · measured after exit
Effectiveness in Serving Employers (retention, same employer)	State UI wage-record match	Pending · measured after exit

Platform supplemental capture: Employment Entered (self-reported) · not yet; participant in active search. Self-reported placement and earnings are collected at the post-exit follow-up points (Q2 / Q4) and provided to the state as supplemental wage information.

■ **Zone A · Platform-captured.** Tracked in real time as the participant engages with the program.

■ **Zone B · State-confirmed.** Computed by the state via UI wage-record match after exit, then written back as a result flag. No wage data crosses to RecastCoach.

Service Activity Log

most recent · feeds participant record
